

IBAN Scholarship

The Insurance Broker's Association of Newfoundland is pleased to announce the creation of an annual IBAN Scholarship. The value of this scholarship is \$1,000.00. To qualify for this scholarship, applicants must meet the following criteria:

1. Must be a high school student entering first-year studies at an accredited university or post-secondary college (i.e. MUN, CONA, etc).
2. Must be a dependant (as defined by the Federal Income Tax Act) of an employee of an IBAN-member company, or an employee of such a brokerage.

To be considered for this scholarship, individuals meeting the criteria must submit a completed application form including high school marks and two reference letters. The scholarship is based on the grade average achieved for the final year of high school, together with information contained in the reference letters and the completed application form including information on school and community activities and future plans. Additional information, including application forms, can be obtained by contacting the IBAN Office at (709) 726-4450, or via email at iin@nfld.net.

Deadline for submission of all applications: October 15th – Annually
